

## Client Referrals

I have been blessed with wonderful friends and clients. Below are some nice notes from them.

"Andrea is a pleasure to work with. Her attention to detail and excellent communication is quite refreshing!"  
**Kimberly** (Title Services)

"I would never have believed in this market that Andrea could sell my home so quickly. She is thorough and knows her business. At the same time, she is a real pleasure to work with ... like dealing with an old and trusted friend."

**Susan**

"I cannot say enough good things about Andrea Snyder and my experience with her selling my house.....in a market that has not exactly been wonderful, she found a buyer in less than three weeks! Not only that, but she did a hundred other things that I did not have time to do myself, including finding a home for my cat! How many realtors take that kind of care of their sellers.....I cannot believe there are many. She is a joy to work with and I highly recommend her."

**Maggi**

"Andrea is outstanding, outstanding, outstanding! From the moment of her first contact through every step, she has done a wonderful job. The total relo was seamless. We didn't have to worry about one thing as I knew Andrea was taking care of everything. Totally organized professional, and supportive, I can't wait to recommend her in the future."

**Ross and Karen**

"There are many ways and words to describe your professionalism and attention to detail along with your great work ethic. But I really think it goes way beyond that. Your sincere and caring attitude toward your clients, combined with your desire to serve THEIR needs first and foremost, is what puts you in a class by yourself."

**Tom**

"Andrea, It was a pleasure working with you on the sale of Minnow Lane. You are an amazing agent. Had you not been on the other end of this transaction, it would have never closed. I can't thank you enough."

**Stacy** (Century 21 Agent)

"As soon as we met Andrea at an open house, we were impressed by her pleasant, cordial and respectful manner. She represented us in the purchase of the home we are now in. In all our dealings with Andrea, she was thorough and professional, all the while being representative of our wishes. We are in the throws of selling the house we lived in for 20 years. When we are ready to list it, Andrea will be our choice for a Realtor. "

**Marilyn and George**

"Andrea, it was great doing business with you. Your clients were very fortunate to have you as their Realtor. I hope to have another transaction with you in the future"

**Chris** (Keller Williams Agent)
