

## About Andrea Snyder

Andrea began her real estate career in 2007 when the market began to decline. Andrea's outstanding performance during this time required grit, determination and perseverance. The awards included, Keystone Top 5, Superstar of the Month, Executive Club Member, F.C. Tucker Company and the Realty Alliance Sales Award for Exceptional Performance. Most recently Andrea has been awarded F.C. Tucker Company's Top 10 Closed Volume among all single agents.

Andrea applies the same level of dedication to her real estate career as she did to her former careers as a professional ice skater and sports nutritionist.

Andrea is the proud "Nana" to six amazing grandchildren. Andrea and her husband Don have resided in the Indy area since 1986. Andrea is an avid cyclist and skier. She recently discovered a passion for golf. She is a member of St Luke's United Methodist Church and avid supporter of Ascent 121.
